## Memorandum 2000-35

**2000 Legislative Program (Status of Bills)**

---

Attached is a chart showing the current status of bills in the Commission's 2000 legislative program. We will update the chart orally at the meeting. This memorandum presents supplemental information concerning some of the proposals.

**AB 321 (Wildman): Eminent Domain Valuation Evidence.** This recommendation would clarify obscure language in Evidence Code Section 822(a)(1). The bill was introduced last year and has passed both houses; it is pending concurrence in the Assembly. The bill is hung up on an unrelated matter. Assemblyman Wildman's office has indicated they intend to proceed with the Commission's part of the bill, whether or not they are able to work out the disputed matter.

**AB 1358 (Assembly Judiciary): Family Code Enforcement.** Issues on this bill are discussed in the First Supplement to Memorandum 2000-35.

**AB 1822 (Wayne): Administrative Rulemaking.** Issues on this bill are discussed in the Second Supplement to Memorandum 2000-35.

**SB 1370 (Ortiz): Settlement Negotiations.** This bill was not heard in committee, and will not be enacted this year. We will report on it orally at the meeting.

Respectfully submitted,

Nathaniel Sterling  
Executive Secretary
